Welcome to the Road America Vintage Motorcycle Classic!

Road America, in picturesque Elkhart Lake, Wisconsin is adding new event features to its annual vintage motorcycle weekend. The Road America Vintage Motorcycle Classic, June 11-13, 2010, will mark the return of the American Historic Racing Motorcycle Association (AHRMA) with the addition of motocross and cross country and trials on courses built specifically for vintage racing. "Road America is acknowledged as a world-class road racing facility. When we discovered that the property had hundreds of acres of prime off-road terrain, we were pleased to add AHRMA National Off-Road events to the traditional schedule of road racing," said AHRMA Executive Director David Lamberth. Road America has a large motorcycle racing fan base and always encourages vintage motorsports enthusiasm. Track president George Bruggenthies is pleased with the expanded event, "The world of vintage motorcycling is a vibrant, diverse family that includes, collectors, restorers and enthusiasts who just love to ride old bikes, as well as racers. We're throwing a family reunion," he stated.

Other race-weekend features include a swap meet, club corrals and a moving bike show. The on-site bike show will include judging with awards presented in 6 classes and a leisurely 40-mile ride through the scenic Wisconsin countryside. Club Corrals will be open to all vintage motorcycle clubs and organizations wishing to have a corral spot on Club Row. The spaces will be free to any club that registers by June 2, 2010. Clubs will be able to park their bikes, sell memberships and club regalia, as well as have a picnic for club members. Participants only need to purchase an advance event ticket to use the Club Corrals.

Participant information for the swap meet, bike show and club corral is available by contacting Classic Swap Meets: 440-591-5099, or [info@classicswapmeets.com](mailto:info@classicswapmeets.com). Tickets are available at [www.roadamerica.com](http://www.roadamerica.com) or 1-800-835- RACE
